ELECT CAVAGNARO, FAHEY

Council

Pre-Election Session Is Quiet

Four dog bites were reported by Health Officer Fred Collins at Monday night's council meeting but there was little else in the way of excitement for curious spectators in the city hall on election eve.

In spite of an underlying air of tension, Monday night's council meeting was the shortest and dullest held here for some time. Purely routine business occupied most of the two-hour session.

Herbert C. King and Eugene V. Lynch were not present to attend the meeting of the board to whose membership they aspire. Despite the turning of anxious heads every time the council chamber doors were opened and the blare of pre-election sound trucks and auto horns outside, the two candidates did not put in an appearance.

Upon one occasion, the King-Lynch election horns screaming outside the city hall were sufficient to make the words of City Clerk B. C. Ross, who was reading the minutes, entirely inaudible.

Fred T. Fairay, San Francisco contractor, was awarded the contract for the Junipero Serra sewer project. His figure of $1,532.70 was the lowest of the five bids submitted.

The council established the route of the municipal busses as arterial streets and authorized the posting of arterial stop signs all along the route.

A progress payment of $1000 was ordered on the building of the new dog pound. Completion of the baseball diamond at Vista Grande park was laid over for further study upon suggestion of Mayor Paul G. Selmi.

Upon recommendation of the Board of Fire Commissioners, the application of Earl Roy Clark, 334

COUNTY NEWS IN REVIEW

Cow Palace—

A "committee of county taxpayers" were up in arms last week when the Agricultural District 1-A directors awarded a prize of $65 to a San Francisco schoolboy for the name of "Estancia" to be given to the Cow Palace.

Campaigning for the continuance of the slangy name of 'Cow Palace,' one of the "committee" remarked:

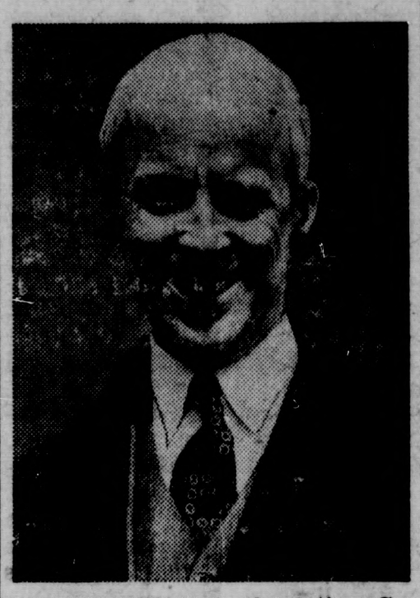
"The name 'Cow Palace' hits the nail on the head—it couldn't come closer.—This is a democracy—why shouldn't a cow have a palace? We all know what a cow palace is—but what is an estancia?"

Storm Damage—

Damage which approximates $2,000 to crops, especially peas, was reported b ythe county agricultural commissioner, following the recent storm.

The damage was estimated to be about one-tenth of that which was reported by the county agripour. These figures do not include damage by soil erosion, the commissioner pointed out.

First '40 Nominee



Norman Thomas, three-time Socialist candidate for President of the United States accepted still a fourth nomination at the Socialist convention Saturday in Washington. Thomas believes that the war and the unlikelihood of a national Farmer-Labor party make it "imperative for the Socialist party to enter the 1940 political race militantly."

Jack Faulk Wins Semi-Final Award

Jack Faulk, block letter man, student of Jefferson Union high school, and singer in Lembi's Indians of Rhythm, won the semi-final award at Eddie's Advershow, Saturday night, at the Daly City theatre.

Faulk's solo, "Careless," practically stopped the show. He will appear in the finals next month.

Charlotte Weait Represents Jeff

Miss Charlotte Weaitt, local high school senior, represented Jefferson in the county "Americanism" speaking contest at Redwood City, Monday morning.

Speaking on the topic "Keeping Faith With America," Miss Weait stressed the danger to American democracy in the dissemination of foreign propaganda.

"In the first few years of struggle, America was too concerned with the elemental hardships of existence to worry about unemployment or 'isms,' or any of the hundred dark ills which beset us today," said Miss Weait.

"Patriotism in those days was a flaming patriotism which expressed itself in actual physical com-

Jeff Hi To Give Three-Act Play

If you like comedy and mystery; if you like thrills, chills and laughs; if you like young love—then you'll be sure to like "Pleased to Meetcha," Jeferson Union high school's new three-act play, now in rehearsal.

The exciting comedy-mystery will be presented by an all-student cast, Friday evening, April 19, at the high school auditorium. Directed by Sigfred Hansen, instructor, the play will feature in its cast Muriel Hollingsworth, Charles Yonan, Charlotte Weait, Albert Marcucci, Pearl Daly, Evan Gillespie, Melvin Dykman, Don Hertz, Earnest Collinge, Julia Yonan, Eleanor Talbot, and John McCann. Evelyn Ciemoli is the assistant director and Durant Moseley, high school teacher, technical director.

According to Hansen, this is the first three-act play to be produced at Jefferson in several years. An entire new set has been built for the play by the student stage crew, and all hands on deck are busy completing final arrangements.

The story of the play is that of a young country rube, Elmer Hicks(played by Evan Gillespie), who comes to visit his old sweetheart, Betty Bixby, (Charlotte Weait), who has moved with her family in to the city. Many laughs are occasioned by Betty's attempts to make Elmer fit into city society.

Excitement and thrills are furnished by the mysteries which result from a harmless game called "MURDER."

The public is cordially invited to attend this high school play, one week from Friday. Admission prices will be nominal.

Daly City Pump House Gets Coat of Paint

Resplendent in a gleaming coat of white paint, the Daly City pump house on Citrus avenue today stands open for public inspection.

Employees of the municipal water department completed rejuvenation of the pump house last week, according to Arthur J. Bodien, water superintendent. White paint with brown trimming and green sashes make the building a credit to civic enterprise.

"We doubt that it will improve the quality of the water," Bodien said today (Daly City water is conceded to be the best in California), "but we do think that it adds a lot to the appearance of our city."

Popular Artists To Entertain

Famous names, popular artists, stage and radio, swing, ballad and opera will all be represented at the huge program of entertainment, Saturday evening, 8 p. m., at the Jefferson Union high school auditorium, under the auspices of Doposcuoala Italiano "Vincenzo Gioberti."

To Commemorate Public Schools Wk.

"What Is Right With Our Schools?" is the slogan which Pansy Jewett Abbott, county superintendent of schools, today suggested for the twenty-first annual commemoration of Public Schools Week in California.

April 22-26 has been officially set aside for educators, students and the general public to observe Public Schools Week this year.

"This is a significant educational event," said Miss Abbott. "Classroom teachers, administrators, patrons of the schools, and taxpayers should cooperate so that all of us may have a clearer understanding of the needs of boys and girls and how these needs may be met."

Local schools will cooperate fully, according to R. L. Crane,

Fire Dept. Answers Three Alarms

Three fires required the attention of the Daly City Fire department last week, with one alarm at 10:36 p. m., Tuesday, breaking up the Fire Commissioners meeting.

The blaze was at the home of Morris Arbuck, 71 Hillcrest drive, and practically destroyed the bathroom of the house. Companies No. 1, 2, 3 and 4 answered the alarm. Faulty wiring was believed to have been the cause.

Sunday morning, 2:47 a. m., Companies No. 1, 2, 3 and 4 again turned out in answer to an alarm from the top of the hill. The awning of the Warshawski Dry Goods company, 6340 Mission street, was ablaze. A lighted cigarette tossed on the awning was thought to have started the fire.

A delayed alarm and the necessity of dragging hose lines over plowed fields for nearly four

Such a proclamation was made by the President in regard to Germany. Germany is the only country to whom the most favored nation tariff policy is denied.

Want "in" on next year's "Big News" Now?

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

YOU can figure it out for yourself from what you see in daily traffic and what you hear when the talk turns to automobiles.

Buick's pacing the pack. Has been for years.

It called this year's style turn a year ago. It set current performance standards in '38 with its Dynaflash engine. It still leads the crowd for riding qualities with its BuiCoil Springing, now in its third year.

So where's a more logical place to look for next year's "big news" than in *this* year's big and roomy Buick?

It may be smoother engines. Buick is the only car that now balances power plants *after* assembly.

Coil springs all around may come. Buick's never need lubrication, are practically indestructible, and even cut down skid-risks.

Maybe it'll be heavier frames—Buick has the heaviest of any car of its price. Or maybe many of Buick's "extra touches" like safety-latches on rear doors and Two-Way Direction Signals with automatic cut-off.

You get all of these things *now* in Buick.

Get them with the *plus* of Buick quality of materials and workmanship—at a price that suggests a six instead of a husky eight.

So it's easy to start enjoying future "new features" right now. Go *try* a Buick. Look it over, inside and out. And get the *prices*.

List figures begin at $895 *delivered at Flint, Mich.; transportation based on rail rates, state and local taxes (if any), optional equipment and accessories – extra. Prices subject to change without notice.

You get a "Good Deal" Two Ways from Your Buick Dealer

A good "deal" when it comes to old-car allowances — and a whale of a lot of automobile in your new Buick.

COUNCIL

(Continued from Page 1)

Woodrow street, was accepted to fill the vacancy in Company No. 3, D. C. F. D.

Installation of new doors at Companies No. 3, 4 and 5 firehouses was authorized upon request of Chief Andrew P. Chesney. An additional $50 was granted to Company No. 4 for materials to rebuild the front of that firehouse. Members will supply the labor.

Completing a survey requested by the council, Chief Chesney reported that 1,030 lots in Daly City needed to be burned off. The council instructed the chief to request the fire commissioner and captain of each company to attend the April 29 caucus meeting to discuss the matter.

A communication from Howard C. Ellis, attorney-at-law representing Mortimer Fleishhacker and Paul A. Wolter jr., protested "possible unfair assessment" on the Junipero Serra sewer. The letter was referred to City Attorney Rudolph A. Rapsey.

John J. Fahey, chairman of the streets committee, was appointed a committee of one to attend a hearing in San Francisco, tomorrow, on a Greyhound bus application to operate between West Daly City and Sneath Lane Crossing via Junipero Serra.

The city clerk was instructed to send an official letter of appreciation to Congressman John Z. Anderson at Washington, D. C., expressing appreciation for his assistance in regard to the WPA South End streets improvement job. It is expected that the contract for the materials will be signed within the next few days.

Unless further obstacles intervene, the job will shortly be reopened on a full-crew basis, according to William R. Lawson, WPA administrator for Northern California.

Mayor Paul G. Selmi stated that only property owners in the district where the work is to be done will be taxed for any part of the cost of the street improvement project. This fact has been pointed out in The Record on several occasions.

bat. Today we are not actively concerned with war but we still have to fight. Then the enemy was concrete, tangible. Today, we fight propaganda, which strikes in subtler, more insiduous ways."

Speaking of the part which youth must play in preserving the principle of democracy, Miss Weait continued:

"We, the youth of America, are vastly concerned with this paramount problem of propaganda, which looms larger and more deadly on our national horizon every day. . . We are carrying the torch of liberty as proudly high as did our forefathers. Ours is not a giltbraided ,tawdry patriotism—it is not a patriotism that has been forced upon us by despotic maniacs. It is honest, sincere. . . . . born of the sharp realization that the youth of today has work to do.

"We must fight to keep our country clean and free from corrupting foreign influences," concluded the young speaker. "We must keep faith—with ourselves and with America!"

The local contest was sponsored by Bank of America, Daly City branch, under the supervision of F. Erickson, manager. Jefferson contestants were coached by Sigfred Hansen, public speaking teacher.

"THE MAN WHO CAME TO DINNER"

Moves to Geary Theatre for Two Farewell Weeks of Record-Breaking San Francisco Run

The Sam H. Harris production of "The Man Who Came to Dinner" the new comedy success by Moss Hart and Greoge S. Kaufman, with the famous commentator, actor, author, critic and wit, Alexander Woollcott, in the title role, after breaking all records in San Francisco's theatrical history, will move to the Geary theatre, Monday, April 15, for a farewell engagement of two weeks ending April 27.

Playing currently in San Francisco, New York and Chicago, the West Coast presentation with Woollcott as the central figure has that added interest of a famous personality, portraying a character said to have been designed for him originally, and to be a lampoon of the "Town Crier," who by his appearance as himself proves he can take it, as well as hand it out.

The story of "The Man Who Came to Dinner" concerns itself with one Sheridan Whiteside, author, lecturer, critic, who slips on the ice on the doorstep of a home to which he is invited for dinner in a small Ohio town. He is laid up fo rweeks recovering from his injury, and it is with his trials and tribulations in the home of the Stanleys that "The Man Who Came to Dinner" deals.

Sheridan Whiteside, let it be known, is a "friend of the great and near-great." Every Christmas Eve he conducts a special and inspired broadcast. His knowledge of murder cases is immense. And his power of invective is even more startling.

Woollcott is well supported by a New York cast of thirty. The setting was designed by Donald Oenslager and the play was directed by Kaufman.

Matinees are Wednesdays and Saturdays, and out-of-town theatre-goers can order seats by mail.

Mrs. Burgard commented on the lovely flowers that the teachers used to decorate the meeting room.

After the meeting was adjourned, the members were entertained by the children of Thornton school. The children of the lower grades gave poems of welcome to their mothers, while the upper division represented the flowers of California and sang about them.

Lovely refreshments were served by Mrs. McCandish, who was in charge for the day.

Western Duck Sickness

Vanez T. Wilson is one hunter who doesn't take his prizes home with him; he sets them free, reveals the American Magazine. Wilson is head of the Bear River Migratory Bird refuge at Brigham, Utah. He scours the marshes for sick ducks, and every year cures thousands of their most deadly disease—western duck sickness. The plague was brought on when irrigation projects took away too much water.

Sure Signs Of Spring

Spring is here when motorists dig out the road maps and lay their plans for seeking the "open road," and sailors the country over begin their annual "fitting-out" activities, preparing sleek water craft for the first jaunt of the season. Census Workers Praise Daly City People For Helpfulness, Hospitality

Lunch time at the top of the hill. Enjoying a second cup of coffee with a leisurely cigarette, I remarked to the man next to me, "Certainly grand weather."

"Yes," said the man, "none of the fog I've heard so much about."

Realizing he was a stranger, I deliberately hung on to the start of the conversation. "Stranger here?" I asked, my nose smelling news.

"Yes," he answered, "I'm on the census."

"Well, that's quite a job, I suppose," was my weak remark, sparring for time. "How do you find Daly City?"

"I can't say enough for Daly City," he replied with genuine sincerity.

"How do you mean?" asked your reporter with wide-eyed innocence.

"Well," said the man, including the lady next to him in the conversation, "in all my travels—and I've been around, too—I've never had the pleasure of contacting so many downright courteous people."

"Really," I countered, feeling a warm surge of pardonable pride, "I'm glad to hear that." But my friend, and he was a friend by now, was just getting warmed up.

"Say ,do you know," he continued, "when I go to the door, the lady or gentleman invariably asks me in, seats me in a comfortable chair, and offers me a cigarette and—"

"I've found the same thing," said the lady next to him. "Nearly everyone says 'you must be tired, come in and sit down.' In so many homes they have given me tea, and there is never any hesitancy in answering questions."

"Hello everybody," said a voice belonging to a trim young lady who just came in, "having lunch?"

"Just starting," said my newfound friend. "How did you make out this morning?"

"Very well," was the young lady's reply, "but I nearly didn't join you for lunch today." (She was working on the census too.) "At the last home I called on, they said that I may as well stay for lunch instead of walking up the hill,"

At this juncture another ceusus taker walked in; she, too, looked as if she enjoyed her job.

My ceusus-taking friend explained to this last arrival, that he had been telling me what grand peope lived in Daly City.

"They don't come any better, take it from me," agreed the last of the census workers.

I arose to go.

"You know," said the man, "I wish there were some way to let the people in Daly City know just how much we appreciate their helpfulness and hospitality."

"There is," I said, putting on my hat and saying goodbye, "I work for the local newspaper."

Slate Roofs

When the roof of a home is renewed, the matter of weight of the material selected must be studied carefully. If the old roof is of wood shingles, it is often possible to cover it without removing the old shingles, but if a heavy material, such as slate, is used, the frame must be checked to see if it will safely carry the added weight.

Pershing PTA To Hold Candy Sale

General Pershing PTA will hold a candy sale and benefit whist today at the General Pershing school. Mrs. Virginia Davidson is chairman. The sale will start at 12 noon, and the whist at 2 p. m. The public is invited to attend.

At the regular meeting last week it was decided to hold a food sale and bazaar, May 3. Mrs. Ann Eason and Mrs. Anne Lucas are co-chairmen. Proceeds of the sale will be used to send worthy children to Camp Shadowbrook for a week during the summer.

Other business was the setting of the date for the annual benefit whist, which will be held May 17, and the postponing of the next regular meeting to May 8, instead of May 7. The executive board will be in charge of the annual whist.

Officers and chairmen elected to attend the seventeenth district CCPT meeting, Burlingame, April 19, were Mrs. Ilda C. Marquis, president; Mrs. Davidson, president-elect; Mrs. Emma D'Isep, Mrs. Alyce Reynor, Mrs. Getha Mejia, and Mrs. Caroline Conroy. Alternates chosen were Mrs. Lucas, Mrs. Marge Prescott, Mrs. Sadie Welsh, Mrs. Eason, and Mrs. Eva Carnevale.

All members are invited to attend this convention. An interesting program is planned. Kathleen Norris, well-known author, will speak in the afternoon.

Mrs. Marquis was elected to attend the three-day convention of parents and teachers at Los Angeles, starting May 21. Mrs. Eason was chosen as alternate.

A luncheon was held at the Isle of Capri restaurant, Wednesday, for the members who donated their time and service to the school cafeteria during the winter months. Enjoying the luncheon were Mrs. Marquis, Mrs. Davidson, Mrs. Eason, Mrs. Olga Bordson, Mrs. P. J. Becker, Mrs. D'Isep, Mrs. Hazel Cassasa, Mrs. Beatrice Carratto, Mrs. R. Canier, Mrs. Thelma Holcomb, Mrs. Lucas, Mrs. Pearl Tarkelson, Mrs. Jewel Crowley, Mrs. Welsh, Mrs. Mejia and Mrs. Reynor. Mrs. Davidson was chairman of the cafeteria committee.

The sewing circle will meet next Wednesday at the home of Mrs. Ella Keeley, 65 Rice street, 7:30 p. m.

That Luscious Lima Bean

By BETTY BARCLAY

We force ourselves to eat many foods because we are told they contain some vitamin or mineral we need. So far as Lima beans are concerned, we eat them because we like them — a mighty good reason for eating any food. Check the orders in your favorite restaurant when Limas are listed with the vegetables, and see how consistently they are ordered.

Yet that luscious Lima bean is far more than an enjoyable food. It tops the list of alkaline-reaction foods that are needed to offset acidity. It contains more calcium than lean beef or eggs; more phosphorus than milk or lean beef; more sulphur than milk or potatoes; and more iron than any of these other foods. It's an excellent source of those minerals so necessary to perfect health.

Now that cooked dried Limas are available anywhere in cans and hot nutritious dishes are particularly desirable to protect the body from cold, the following recipes for Baked Limas with Marshmallows (see illustration) and Lima Chowder, are presented to you as tasty treats for nineteen forty:

Baked Limas with Marshmallows

3 cups cooked dried Limas
½ teaspoon salt
1½ tablespoons butter
3 tablespoons brown sugar
¼ cup hot water
3 strips bacon
3 to 6 marshmallows

Put Limas in a buttered casserole dish, adding water and stirring in sait, butter and brown sugar. Bake in moderate oven (350° F.) for about 20 minutes (until thoroughly heated). Then place bacon strips over top, dot with marshmallows and place under broiler flame until toasted a golden brown.

Lima Chowder

2 cups cooked Limas
2 cups diced potatoes
2 slices fat salt pork
1 small onion, sliced
1 cup boiling water
4 tablespoons butter
4 tablespoons flour
3 cups hot milk
1 teaspoon salt
⅛ teaspoon pepper

Cut salt pork into dice. Place in a saucepan and cook 5 minutes; add onion and cook until just turning yellow, then add potatoes and boiling water. Cook until potatoes are tender, then add Limas. Melt butter, add flour, stir until smooth, then add hot milk; cook, stirring constantly, until slightly thickened, then add Lima mixture and seasonings.

Jefferson High Baseballers Win First League Game

Jefferson's baseball team won the first Peninsula Athletic League game of the 1940 season, Friday ,when they took Burlingame with a 13-1 score on the Jefferson diamond.

More important than the thirteen runs that the Jeffs made, was the fact that they allowed Burlingame but 2 hits and one run. The boys from the South scored in the second inning, and then Herb Poddig, who pitched the entire game for Jefferson, really started to bear down. This first league game proved several things, and after watching several practice games in which Jeff didn't do so well, it was good for several surprises, too.

It looks like Coach Albert Biggs has hit upon an ideal combination of batteries in Poddig and Huerta; that Lekoff can, when he wants, play an inspired game covering first base; that Razzari on second will give no cause for worry if he continues through the season playing as he did Friday; and that the team has some fair sluggers. Both infield and outfield did a swell job.

Coach Bigg's intensive training schedule paid off in hits and runs when, after Guisti's home run in the second inning, the boys knocked the ball into the most awkward places for the Panther infield and outfield to retrieve, calling their shots with uncanny accuracy.

While Jefferson might not win a pennant this year, it is safe to say they will be a long way from the bottom at the end of the season if they avoid getting cocksure or overconfident.

In a practice game with Lowell high, Monday, Lowell won 13-2. Jefferson will play Sacred Heart today on the Jefferson diamond. The next PAL game will be with San Mateo high, at San Mateo, Friday.

Line-up for Jefferson follows:

Pistol Team Wins Thirteen Medals

Thirteen medals won during the week-end was the record set by the San Mateo county sheriff's pistol team, at two meets.

At the Oakland match, Sunday, ten medals were won. Ray Ottoboni and Norman Bowcock brought home three medals each and John Bignotti and C. F. Fraser two each.

Friday evening at the Tamalpais range, San Rafael, Ottoboni won a master class gold medal and Bignotti a gold and silver medal in the expert class.

Both meets were attended by police department members in the Bay area, county peace officers and private civilian teams.

Good News for Spring

SPRING, the season when everyone blossoms out in a new frock or a new suit, also finds Good News of 1940, one of radio's most popular variety shows, in attractive new dress. Dick Powell (lower left) and charming Mary Martin (lower right) provide the new trimmings as tenor master-of-ceremonies and song stylist, respectively. Of course, no Good News program at any time of year would be complete without Fanny Brice in her Baby Snooks role (upper left) or Meredith Willson (upper right) on the musical podium. The caricature of Miss Brice is an impression by William Sharp, the Esquire cartoonist. (Good News of 1940 is broadcast over the NBC-Red network every Thursday at 9:00 p.m., EST.)

D. C. Table Tennis Club Defeats New Mission

Daly City's table tennis club upset all precedents when they beat the crack New Mission tennis club, Friday evening at the Mission Recreation center.

The New Mission club holds the N. C. T. T., and S. F. recreation class "A" championships and are considered practically unbeatable. The surprise match of the evening was when Howard Peterson, rated sixth on the local team, beat Vic Pezzini, New Mission star, 21-16, 21-18.

Other Daly City wins were L. Wright vs. H. Tungate, 23-21, 16-21, 21-11; J. Madison vs. J. Laboa, 21-12, 21-10; G. Gustafson vs. W. Foy, 21-9, 22-20.

The two games lost were Lloyd Selmi vs. E. Klinger, 9-21, 20-22; and J. Harper vs. G. Kocker, 14-21, 9-21.

Daly City will meet the New Mission in two weeks, in a return match.

Friday, the Daly City club will meet Murio team at the Mission Recreation center, Daly City. The Murios belong to the "A" League.

To Present Midnight Ice Frolic, April 27

One of the latest social events of the Spring public skating season at Winterland is scheduled as a midnight ice frolic Saturday, April 27.

The big ice rink will be open to the public for the special event, it was announced. There will be public skating, exhibitions, contests and games, including the popular and thrilling "Ice Polo."

Sponsor of the midnight ice party will be the Winterland Skate club, whose members will use proceeds of the affair to help defray expenses of their regular weekly skating sessions next season, according to John Clift, president.

Winterland will be open for public skating during three sessions each day until the first week in May, after which alterations will be made to prepare for the May 15 opening of the Ice Follies of 1940. The same cast which played to 400,000 people here last year will return on that day with an all-new show.

Location of Thermostats

Five feet above the floor is considered a generally satisfactory height for the location of thermostats. They should be placed in locations protected from drafts and not in contact with a large volume of air. The rather bulky thermostat of yesteryear has been beautified, and their location today on the living room wall does not mar the decorative scheme.

SALMON is the Fish

that Everybody Knows — and Enjoys

says Dorothy Greig

IF there was such a thing as a national fish (maybe there is!), it would undoubtedly be the salmon. For salmon is a fish we all like and all eat in some form or other.

The salmon is victim of its own systematic habits. As a tiny

tad, it swims downstream and ou to sea. Months later, grown bi and fine and husky, upstream i swims again. We know that regard less of rushing current, distanc and obstacles, it will do exactl that, and are waiting to catch it The moral would seem to be—a least for salmon—"stay all at sea"

At any rate, canned or fresh salmon is good eating. Firm, meaty it is the foundation of many a sub stantial and nutritious dish.

Baked Salmon Loaf with Clam Chowder Sauce

1 can (1 pound) salmon, drained
1½ cups soft bread crumbs, or ¾ cups dry fine bread crumbs
2 tablespoons melted butter
1 can condensed tomato soup
2 eggs

Drain the salmon then pick out the bones and dark skin. Mix the salmon well and combine with the buttered bread crumbs, tomato soup and eggs, slightly beaten. Mix thoroughly. Put into a buttered loaf pan or mold and bake for 45-60 minutes in a moderate oven—350°. Serves 6.

Clam Chowder Sauce:

1 can condensed clam chowder
½ cup milk or cream

Add the milk to the clam chowder. Heat quickly and serve as a sauce with the salmon loaf.

Egg and Salmon Pie with Cheese Crust

1 can condensed clam chowder
¼ cup milk
1 can (1 pound) salmon
3 hard cooked eggs

Stir the milk into the clam chowder. Slice the eggs and arrange the slices in the bottom of a buttered casserole. Pour one-half of the clam chowder (which has been mixed with the milk) over the sliced eggs. Then arrange the layer of flaked salmon (from which the bones and dark skin have been removed) in the casserole. Pour the remaining clam chowder over the salmon. Cover with the cheese crust.

Cheese Crust:

1¼ cups sifted flour
¼ teaspoon salt
⅓ cup shortening
3-4 tablespoons cold water
¼ cup grated cheese

Sift flour, measure, add salt and sift again. Cut in the shortening. Add water gradually and mix with a fork, adding only enough water to hold the mixture together. Chill thoroughly in the refrigerator. Roll out on a slightly floured board, then sprinkle with the ¼ cup grated cheese. Fold over 3 times and roll out. Put cheese crust on Egg and Salmon Pie and bake in a hot oven (450°) for 25-35 minutes.

This SPICY TOMATO SAUCE

over Pan Fried Meat Cakes is a flavor booster

says Dorothy Greig

THE sauce for these meat cakes was created with but one idea in mind—to lend zip, zest and tang to the meat cakes. When you have tasted it you will promptly agree that it does. To make this sauce, use as a base condensed tomato soup—just as it comes from the can—and go on from there like this:

The Spicy Tomato Sauce:

1 can condensed tomato soup
2 tablespoons sugar
2 tablespoons vinegar
8 cloves

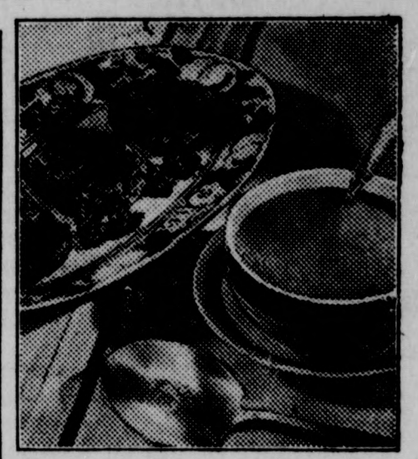
Mix together and heat, simmer for about 8 minutes to blend the flavors. Strain out the cloves and serve with the meat cakes.

The Meat Cakes:

1 pound beef (ground)
½ cup pork (ground)
½ cup onions, chopped
¼ cup parsley, chopped
½ cup mashed potatoes
1 teaspoon salt
⅛ teaspoon pepper
1 teaspoon prepared mustard
1 egg

Combine the ground beef and pork. Then add the chopped onions, parsley, mashed potatoes, seasonings, mustard and egg; mix thoroughly. Form into cakes and cook in melted fat in a pan until well browned. Enough for 6.

Serve the meat cakes hot from the pan and over each serving spoon the sauce generously. What did we tell you—yes, they're good.



Washington's Farewell Address

Washington's "Farewell Address" was written primarily to eliminate himself as a candidate for a third term. It was never read by the President in public, but printed in Claypoole's American Daily Advertiser, Philadelphia, September 19, 1796. The address is in two parts. In the first Washington definitely declines a third term, gives reasons, and acknowledges a debt of gratitude for the honors conferred upon him and for the confident support of the people. In the second, more important part, he presents, as a result of his experience and as a last legacy of advice, thoughts upon the government.

Netherlands Defensive Flooding

If the dykes in the Netherlands are open, defense flooding would damage the farm lands, and necessitate the evacuation of thousands of residents, but the water would not be sea water, it would be fresh water from the rivers, or the old Zuyder Zee, now called Ijssel lake. It would do no permanent harm.

Barbara Stanwyck Stars In Romance At D. C. Theatre

It's a far cry from "simple sincerity" to Hollywood glamor girl; but it was "simple sincerity" which made a Hollywood glamor girl out of Barbara Stanwyck.

The auburn-haired beauty, who is co-starred with Fred MacMurray in Paramount's new comedy romance "Remember the Night," opening tomorrow at the Daly City theatre, might not have become a movie actress at all if it weren't for the fact that her "simple sincerity" impressed Broadway theatre critics who saw her in the stage success "Burlesque."

The part in "Burlesque" came as a culmination of an odd career which began when Miss Stanwyck, an orphan in Brooklyn, New York, got tired of being sent from home to home to help in the housekeeping in return for her board. She decided to be a great dancer, like her idol, Isadora Duncan. In order to get money for lessons, she worked in her spare time as a wrapper and telephone operator in a department store, and as a pattern cutter for a fashion magazine.

In "Remember the Night," Miss Stanwyck portrays the role of a gem thief—a girl driven to a life of crime by bad environment in her youth. The part calls for a love affair between the girl and the district attorney who is trying to put her in jail—played by MacMurray—and here, again, her "simple sincerity" does a job of convincing for her. She endears herself to MacMurray and the result is a hilarious and heart-warming series of events which makes "Remember the Night" one of the season's outstanding hits.

Companion feature on the new bill is "Amazing Mr. Williams," starring Joan Blondell and Melvyn Douglas.

LOVE LAUGHS AT LAWS

Locksmiths have been getting their share of being laughed at by love, and now along come laws to share the ridicule! It's all a happy part of Paramount's new comedy-drama, "Remember the Night," starring the popular players above, Fred MacMurray and Barbara Stanwyck. Jewel Thief Stanwyck falls into the clutches of the law—and the embrace of District Attorney MacMurray. The film opens tomorrow at the Daly City theatre.

To Show Latest "March of Time" Film

"Canada at War," the latest March of Time film picturing the whole story of the national war effort of Canada's eleven million people, is being shown on the screen of the Daly City theatre next Sunday, Monday and Tuesday.

The film shows all phases of Canada's civilian, military, and industrial participation in the war, and amounts to a blueprint of what life in the U. S. would be like if this country were involved in the current war.

The new
ELECTRIC REFRIGERATORS
Bigger in size...lower in cost

It's true in more ways than one. You get more for less in the 1940 Electric Refrigerator. You get a bigger and better looking, better performing refrigerator for fewer dollars. You get a refrigerator that freezes twice as much ice in almost half the freezing time of five years ago. And best of all the new 1940 Electric Refrigerators "go on" far less often and only use a trickle of electricity when they are running.

Beginning this month thousands of homes will start receiving dividends in food savings from their big new 1940 Electric Refrigerators. How about you? If you have a refrigerator your family has outgrown, that is jammed and crowded—this is the year to buy a new and bigger refrigerator. In fact the average family today finds that it needs an eight cubic foot refrigerator. Food savings are correspondingly greater.

See your refrigerator dealer today. You'll marvel at the big changes that have been made in Electric Refrigeration. Low prices, too, make the 1940 Electric Refrigerators the greatest values ever offered.
